thereof shall not exceed Rs 75— He also says that the master's state of health necessitates his taking rest for some time and recommends the leave instead of the remuneration

2— While recommending the scheme for holding the vacation classes the DI stated that the allowing of the masters to take privilege leave on full pay for the period equal to that during which they work in the normal classes, entailed considerable dislocation of work and he recommended remuneration because he said it is hard upon poor masters to maintain two establishments even for 6 weeks

3 In the present case, the DI's recommendation for privilege leave on full pay will have the effect of giving Mr Chintamani Rao more than what he would otherwise get His present pay is Rs 190* in the Grade 100-10 210 and if he takes leave on half pay his emoluments would be only Rs 95 a month + the remuneration of Rs 75— to which he is entitled for working during the vacation But if privilege leave is granted
